

Promotional: Abuse, Neglect and Exploitation: Mandatory Reporter

****You MUST print this for Continuing Education purposes and keep with your certificate of completion.**

Requirements:

For successful completion of this educational activity and receipt of 1.0 contact hour(s), the learner must:

1. Participate in 60 minutes of continuous learning.
2. Complete a quiz with a minimum score of 85%.
3. Complete an evaluation form.

Educational activity description:

Regulatory guidelines across all practice settings direct that care for individuals must be provided in a therapeutic, homelike environment that is free from abuse in any form. This educational activity provides an overview of abuse, neglect, and exploitation as well as prevention and reporting guidelines.

Target audience:

The target audience for this educational activity is all staff in healthcare settings. This is an introductory level educational activity.

Learning outcome:

At the completion of this educational activity, the learner will be able to demonstrate knowledge about abuse, neglect, and exploitation by passing a quiz with 85% or greater accuracy.

Learning objectives:

At the completion of this educational activity, the learner will be able to:

1. Identify three (3) types of abuse.
2. Identify three (3) signs of electronic abuse.
3. Select two (2) ways to prevent maltreatment of a vulnerable adult.

Author:

Mary DaCorta, MSW, LCSW

Ms. DaCorta has provided medical social services in hospice and long-term care settings for more than 25 years. For the last 14 years she has provided social service support in a highly rated skilled nursing facility committed to excellence. She has provided presentations on advance care planning, ongoing supervision, and education of social workers and social service interns on advance directives.
