

## Promotional: Corporate Compliance and Ethics (All Staff)

**\*\*You MUST print this for Continuing Education purposes and keep with your certificate of completion.**

### **Requirements:**

For successful completion of this educational activity and receipt of 1.0 contact hour(s), the learner must:

1. Participate in 60 minutes of continuous learning.
2. Complete a quiz with a minimum score of 85%.
3. Complete an evaluation form.

### **Educational activity description:**

It is important for healthcare workers to understand the essential rules and standards of conduct within the workplace and how to comply with these rules. This educational activity shares federal employee reporting mandates for suspected fraud, waste, and abuse falsification.

### **Target audience:**

The target audience for this educational activity is all staff in the nursing home setting. This is an intermediate level educational activity. Information is geared to practitioners with a general working knowledge of current practice trends and literature related to the subject matter. The focus is on increasing understanding and competent application of the subject matter.

### **Purpose:**

The purpose of this educational activity is to enable the learner to identify their role in a healthcare corporate compliance and ethics program.

### **Learning outcome:**

At the completion of this educational activity, the learner will be able to demonstrate knowledge about corporate compliance and ethics by passing a quiz with 85% or greater accuracy.

### **Learning objectives:**

At the completion of this educational activity, the learner will be able to:

1. Select two (2) reasons for reporting a compliance concern.
2. Identify two (2) outcomes of Medicare fraud.
3. Apply two (2) workplace implications to a scenario.

### **Author:**

Marcia C. Lyles, RN, MSN, EdD

Dr. Lyles graduated from Peter Bent Brigham Hospital in Boston, MA. After moving from Maine to Florida, she later received a Bachelor of Science in Nursing and Doctorate in Educational Leadership from the University of North Florida, and a Master of Science in Nursing from the University of Florida. She has been a Director of Nursing in skilled care facilities from 120 to 240 beds. While working as a DON, she wrote, and taught an advanced Geriatric Nursing Assistant program and presented educational programs in Nursing Leadership and Infection Control for the Florida Health Care Association. She has been a nurse educator in Bachelor and Master of Science Nursing Programs at University of Phoenix, Virginia College, and Jersey College.
